## Making it easy with School Packs

---

At Warehouse Stationery, we're all about making things easy for schools. Our popular School Packs service will ensure your students start the 2019 school year with everything they need. This is a great win for teachers!

School Packs are pre-packaged boxes of stationery, one for each student. We can provide these either by selling them directly to your school so you can on-sell to your students, or by packaging them and making them available for students to purchase from your local Warehouse Stationery store.

To find out the per-pack price, use this catalogue to select your stationery requirements, then simply submit a form found at the back of this book. Ensure you use one form for each different pack requirement, that is one per classroom or year level at your school. More forms can be downloaded from [warehousestationery.co.nz/education](http://warehousestationery.co.nz/education)

School Pack orders must be received before 1 December 2018, for delivery to stores or schools in January 2019.
