A gallery wall is the perfect way to fill a large area and to display a few of your favourite photos at once. Mix and match different canvases and prints, we've been creative and used a hardboard panel to mount a Satin Poster Print onto.

Have a favourite image printed on faux canvas. Ideal for any room of the house. We love black and white, it works with any colour scheme.

STYLIST FOR *YOUR HOME AND GARDEN* MAGAZINE

Save on artwork for your home and make your own with images that are dear to your heart. Your treasured photos can be turned into statement pieces with some creative printing ideas.

Using clipboards is a unique way to display your photos, and you can easily switch them for new ones whenever you feel like a change.
