Create a mobile by tying three pieces of twine to a piece of dowel and using washi tape to stick your photos to the twine. Tie another piece of twine to the dowel to use to hang the mobile with a 3M hook.

Choose your favourite holiday photos, make them black and white at the Print and Copy photo kiosk, and create your own photo book.

STYLIST FOR YOUR HOME AND GARDEN MAGAZINE

Summer has almost gone but you can keep the memories alive all year round with these easy photo projects. Get inspired by Instagram and have them printed square at Warehouse Stationery.

Pop your monochrome snaps behind an adhesive polaroid-style frame. Add a magnetic strip to the back and put on your fridge at home.

The perfect gift for a family member, a friend or just for you to keep! Every morning coffee you'll be reminded of summer.

All photos from Warehouse Stationery can be easily ordered and picked up using the Printicular app, simply download it from your app store today to get printing!
