

# Create

## Personalised Creative Cards

Creative cards for all occasions, created by Ange

### What You Will Need:

- Coloured Card
- Assorted Embellishments
- Assorted Scrapbooking Paper
- Craft Glue and Scissors
- Photographs

### Instructions:

1. Start by selecting your shade of coloured card. Cut it to size and fold over to create the card shape
2. Select your design of scrapbooking paper to match the theme of your card. Cut it to size and glue it onto the coloured card
3. Select your photograph and glue onto the card in the design you are after
4. Place embellishments on your card to create the look and feel to suit your cards theme

Create hundreds of variations of custom cards using different designs and products for different events and themes!

Perfect gift idea for Mum on Mother's Day!
