CREATE YOUR OWN CHRISTMAS WREATH

INSTRUCTIONS

STEP 1

Trim paper pad into long strips approx. 1.5cm wide and 24cm long. Use scissors to indent the ends of the strips like flags.

STEP 2

Wrap them around the Styrofoam wreath and glue together. For a fuller wreath add a second layer of paper strips approx. 10cm long and only stick them to the front of your wreath.

STEP 3

Add embellishments to one side as a feature.

STEP 4

Use twine or ribbon to hang the wreath.

YOU WILL NEED:

Rosie's Studio Season to Sparkle paper pad & embellishments
Little Hands Styrofoam Wreath
Rosie's Studio Twine or ribbon
Think Creative Adhesives
Trimmer and scissors
