Create countless projects using your imagination and Little Hands products!

What you will need:

- Little Hands Chenille Sticks
- Little Hands Pom Poms - Plain & Glitter
- Little Hands Wiggle Eyes
- Little Hands Coloured Popsicle Sticks
- Little Hands Feathers
- Think Creative Tacky Glue

Use a variety of Little Hands products to individualise your creations

Instructions: Pom Pom Critters

1. Start by cutting two chenille sticks (5cm long) for antennae, and curl the top of each
2. Using a spot of craft glue, push the antennae into each of the pom poms
3. With the tacky glue, glue two wiggle eyes onto each of the pom poms
4. Cut the end of your coloured popsicle sticks (2cm long) to create feet. Glue two of them to the bottom of your pom poms to create feet

Instructions: Stick Finger Creatures

1. Start by tightly winding two chenille sticks around your finger
2. Wrap your chenille sticks around your pom poms to make a head for your creature
3. Secure the chenille sticks by pushing them back down through the body, and twisting around the sticks at the bottom
4. Glue two wiggle eyes onto your pom poms
5. Use mini pom poms, feathers or any other Little Hands product to add features to your creature
