## My Favourite Toys

Memory keeping toy art, perfect for any child's bedroom. Created by Sam from Botany

### What You Will Need:

- 4x4 Canvas
- Acrylic Paint
- Old Toys
- Hot Glue Gun

### Instructions:

1. Start by choosing your colours and painting each canvas a different colour to make it bright and fun
2. Once all of the canvases are painted and dry, select which toy will go on each
3. Using a hot glue gun, squeeze enough glue onto the back of each toy and place them onto the canvas
4. Once stable they will be ready to hang in your child's bedroom or play area to add a perfect pop of fun and colour

Use toys that have significant meaning so you can create an art work keepsake!

To add even more colour to your art try painting your toys different colours!
