THE WIDEST RANGE OF STATIONERY PRODUCTS AT LOW PRICES

making it easy with school stationery options

at Warehouse Stationery, we're all about making things easy for schools

school stationery packs

Sorting out school stationery packs is easy. Simply tell us which items your students need for the 2022 school year – this can differ by classroom or year level – and we'll provide each student with a pre-packed box containing everything they need to start school on day one.

School Packs are:

- Pre-packaged boxes of stationery, one for each student
- Customised to your needs by class, subject or teacher
- Available to purchase at your local Warehouse Stationery store or online by parents, or we can deliver direct to your school, for you to on-sell

To submit your pack requirements, and determine the price that parent's will pay, use the form at the back of this catalogue. Use one form for each classroom, or different pack requirement you need.

School pack orders must be received by 12th December 2021 for guaranteed delivery to your school, or our stores in January 2022.

stationery lists

When you've confirmed your stationery lists for 2022, email them to us. We will load them onto our website for parents to easily do their back-to-school shopping online.

School Lists are:

- A list of stationery items set by the teacher – this can also include technology, art and craft and other classroom items such as tissues and whiteboard markers
- Made available for parents to purchase on our website. School lists can also be used to shop in store. They have the option to add additional items or remove items they don't need

School stationery lists can be sent to us in any format – word document, excel spreadsheet, or even a photo of a handwritten note. We'll process these and upload them to our website for parents to easily find, and shop during the back-to-school period.

Send your stationery lists to
schools@stationery.co.nz or talk to your TWGB Account Manager for more information
