

2023 school stationery catalogue

warehouse
stationery

warehousestationery.co.nz/education

easy school stationery options

stationery lists

When you've confirmed your 2023 stationery lists, simply load them onto our easy-to-use portal. Alternatively, you can email your school lists to us and we'll put them up on our website for parents to shop online.

School lists can also be used to shop in our stores, and parents have the option to add items or take away what they don't need. Send your lists in any format from word documents to spreadsheets, or even a photo or handwritten note. We'll load these into lists on our website for parents to shop.

Email your school stationery list to schools@stationery.co.nz.

school bulk orders

Ordering supplies in bulk is ideal if you plan to sell stationery and workbooks to parents at the start of the school year, or if your school has its own bulk product requirements.

Let us know what you need and we can cost this up specifically for your school.

Send your stationery lists to schools@stationery.co.nz or talk to your TWGB Account Manager for more information.

school stationery packs

Simply let us know via email at **schools@stationery.co.nz** which items your students need for the 2023 school year (by class, year level, subject or teacher) or alternatively load them into our easy-to-use portal.

We'll provide each student with a pre-packed box ready for day one. We can deliver these packs in bulk to your school, or we can have the packs sent to your nearest Warehouse Stationery store for parents to purchase.

Please order by 10 December 2022 for guaranteed delivery to your school, or to our stores in January 2023.

3 easy steps

- 1 Select the products your students need using the forms found at the back of the catalogue or select through our easy-to-use online portal.
Need more forms? Check out warehousestationery.co.nz/education
- 2 We'll provide you with a quote per pack, based on our back to school prices. We guarantee you'll be pleased with our competitive prices.
- 3 You can choose for parents to purchase the packs at your local store or online, or you can purchase the packs direct from us to on-sell to your students.

online portal

We have created an easy-to-use online portal so you can load your students stationery needs straight into our system. Your Account Manager will provide you with a unique URL for your school to load your stationery requirements through the online portal.

If you are not sure who your local Account Manager is email schools@stationery.co.nz with your contact details and your Account Manager will be in touch.

our te reo range

Te Reo school range

Have your class covered for learning Te Reo basics with our extensive bilingual range.

- Exclusive junior literacy books
