School stationery lists

Please email your class stationery list, in any format to **schools@stationery.co.nz**. All lists we receive will be made available for parents to purchase online at warehousestationery.co.nz. This makes it super easy for them because they can add the list to their cart with one simple click and have it delivered to their door.

They know they're getting exactly what they need and there's no need to queue in busy stores during the back to school rush. When putting your lists together, choose products from the 2021 Warehouse Stationery School Stationery Catalogue.
