THE WIDEST RANGE OF STATIONERY PRODUCTS AT LOW PRICES

# making it easy with school stationery options

at Warehouse Stationery, we're all about making things easy for schools

## school stationery packs

Our popular School Packs service will ensure your students start the 2021 school year with all the stationery they need. This is a great win for teachers!

### School Packs are:

- Pre-packaged boxes of stationery, one for each student
- Customised to your needs by class, subject or teacher
- Available to purchase at your local Warehouse Stationery store or online by parents, or we can deliver direct to your school, for you to on-sell

To submit your pack requirements, and determine the price that parent's will pay, use the form at the back of this catalogue. Use one form for each classroom, or different pack requirement you need.

School pack orders must be received by 11 December 2020 for guaranteed delivery to your school, or our stores in January 2021.

Find out more at:  
[warehousestationery.co.nz/education](https://warehousestationery.co.nz/education)

## stationery lists

If school packs aren't required for your school, let us help you with our School List service - the more traditional option for back-to-school shopping.

### School Lists are:

- A list of stationery items set by the teacher - this can also include technology, art & craft and other classroom items such as tissues and whiteboard markers
- Made available for parents to purchase on our website. School lists can also be used to shop in store. They have the option to add additional items or remove items they don't need

School stationery lists can be sent to us in any format - word document, excel spreadsheet, or even a photo of a handwritten note. We'll process these and upload them to our website for parents to easily find, and shop during the back-to-school period.

Send your stationery lists to  
[schools@stationery.co.nz](mailto:schools@stationery.co.nz)
