YOU WILL NEED

- A canvas - Uniti Platinum Series 14 x 18 inch
- Paints - Reeves Fine Acrylic in Deep Yellow, Sand, Peach, Naples Yellow, Terracotta and Burnt Sienna
- Paint Brushes - Reeves Acrylic and Mixed Media Brushes
- A Pencil

INSTRUCTIONS

- 1 Use a pencil to draw the simple landscape design on your canvas. It doesn't need to be perfect, we're going for an organic look.
- 2 Paint on each block of colour, starting at the top with the Sand colour in the sky. Then the Deep Yellow Sun, followed by each section of landscape working your way down.
- 3 Don't forget to paint around the sides of the canvas. Let it dry for at least 24 hours, then it's ready to display in your home!

TIPS

- Be quite liberal with your paint - the thick and textured style looks lovely.
- Use a larger brush for the main areas, then a thinner brush for where the paint colours meet. If you use lots of paint on the thinner brush you should get a more defined look at the top of each section.
- Don't worry if the paint colours mingle a bit where they meet, that just adds to the lovely textured style.
