YOU WILL NEED

- Jovi Watercolour Art Pack
- Reeves Watercolour Pad
- Reeves Watercolour brushes
- Winsor and Newton Masking Fluid
- Salt
- Water

INSTRUCTIONS

1 Resist technique

- 1 Draw design on your paper with art masking fluid.
- 2 Once dry, let the kids paint all over the paper.
- 3 When the paint's dry, peel off the art masking fluid to reveal some cool contrast designs.

2 Water technique

- 1 Wet the paper.
- 2 Let the kids add as much paint as they like to create a lovely abstract effect.

3 Salt technique

- 1 Let the kids brush lots of water onto the paper
- 2 They can then sparkle salt over the water, leaving an attention-grabbing effect as the water is absorbed.
