YOU WILL NEED

- We used Uniti brand stickers in gold, silver, pink and blue. We also added some script words from Rosie's Studio Bows & Bells pack.
- Try using the Santa's Grotto range of designer papers by Uniti. Or plain coloured paper looks great too!
- These supplies are all available at Warehouse Stationery and The Warehouse.

INSTRUCTIONS

- 1 Take a wrapped chocolate block.
- 2 Cut a piece of paper to size, and wrap it around the block, securing it at the back with tape.
- 3 Add festive phrases with alphabet stickers. You can also add other stickers to brighten them up.
