- 1** Find a photo of each child who is coming to the party. Print the photos at your Warehouse Stationery Print & Copy centre.
- 2** Cut out the top half of each child's photo. Then draw and cut out mermaid tails on the coloured papers and match to each child.
- 3** Place a laminating pouch on a sturdy book or piece of card. Open it pop in 'mer-child'.
- 4** Laminate each placemat. Use the board to keep it level and flat. Then add names with the alphabet stickers. All done!
